Route Description

LocalLink 37 will replace the current No. 77 route between Old Court Metro Station and UMBC. In the southbound direction on weekdays, there are approximately 1,600 boardings between Old Court Metro Station and Security Square Mall but only 1,000 alightings, so 600 people are riding through. Therefore, a one-seat connection between Old Court Metro Station and UMBC/CCBC was preserved. Ridership between UMBC and Patapsco on the current 77 line is significantly lower than that between Old Court and UMBC. The Yellow UMBC branch replaces the current 77 route between UMBC and Halethorpe MARC.
